Paris, 13 October 2016

An INTA delegation led by our President Maurice Charrier will be attending the 3rd UN Conference on Habitat to be held in Quito, and we are pleased to attend and participate in several events while in Ecuador.

For the past 18 months, INTA's membership has been working on an **INTA Initiative for Habitat III**, and after holding 17 different events around the world, we are proud to present the report on the implementation of the next Urban Agenda.
